# Care of the Patient with a Respiratory or Airway Complication

*An Alaskan Cruise Conference departing Seattle  
14 - 21 May 2022 | 28 CPD Hours*

# Care of the Patient with a Respiratory or Airway Complication (28 CPD Hours)

## The Presenter:

Dr Paula Foran

### **DR PAULA FORAN**

PHD., R.N., FACORN, FACPAN

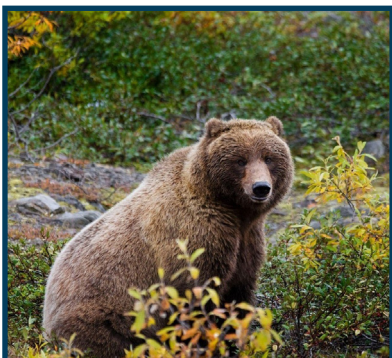

Dr Paula Foran began her perioperative career as a perianaesthesia nurse. She has been a past board member and Chief Examiner with the Australian College of Perianaesthesia Nurses (ACPAN) and an immediate past board member and Education Officer for the Australian College of Perioperative Nurses.

Paula has a number of publications to her credit including published articles and book chapters, & has been a guest speaker, and presented keynote presentations at national & international conferences.

Paula was awarded the 'Most Popular Presenter' for her keynote address at the International Collaboration of Perianaesthesia Nurses in 2017, and more recently in 2019 the 'Best Oral Paper' award at the European Operating Room Nurses conference in The Hague.

Coming from a background of anaesthesia and post anaesthesia nursing, Paula is well versed with the care and management of patients with respiratory illness, and patients who develop respiratory complications.

Paula is also the unit co-ordinator for the two master level subjects in nursing at the University of Tasmania; is a member of the Victorian Perioperative Council, and the Expert Perioperative Working Group for Covid-19 (both with Safer Care Victoria); and a lecturer for Critical Care Education Services.
