JULES AITKEN

RN, CDE, MSc

Jules Aitken is an Endorsed Nurse Practitioner specialising in Diabetes, Metabolic and Chronic Disease and Weight Management. She attained her Masters of Nursing (Nurse Practitioner) at Queensland University of Technology (QUT).

She is also a registered Credentialed Diabetes Educator (CDE) registered with the Australian Diabetes Educators Association (ADEA) gaining her Certificate of Diabetes Management at the University of Technology Sydney. She has worked within the Diabetes, Weight Management and Metabolic and Chronic Disease arena for over 20 years.

Working both independently and within specialist clinics, Jules coordinates the care of clients with complex diabetes, metabolic and chronic conditions. She has participated in research projects involving weight management, diabetes, metabolic and chronic diseases and has presented at nursing, allied health, medical and community events at local, State and National level.

Jules is a mentor for diabetes educators with the Australian Diabetes Educators Association and also provides education and mentorship for student nurses, RNs, EENs and other health professionals within private organisations. She is also a member of External Advisory Committee for Queensland's University of Technology Master of Nursing programme.

Jules is also part of the Global Midwives and Nurses Rotary Group and is currently part of the Leadership team.

Jules looks forward to sharing not only her many years of clinical experience but also to facilitating opportunities for attendees to share experiences and challenges with each other. There will be lots of fun to be had within the learning environment.
